Shaun Donovan, Director
The Office of Management and Budget
725 17th Street, NW
Washington, DC 20503

Dear Director Donovan:

I am writing you regarding the Federal Activities Inventory Reporting Act (FAIR Act) of 1998.

As you may know, I was the lead sponsor of this bill in the House of Representatives.

The FAIR Act requires every federal agency to file an inventory annually with the Office of Management and Budget. This inventory should provide how many employees are carrying out duties that are not inherently governmental.

I would like to know the total number of employees that are listed as not being inherently governmental for the entire federal government.

In addition, I would like to know if any federal agencies have not filed their FAIR Act inventories and why they failed to file those if there are any.

I appreciate your time and attention in this matter. If you have any questions please feel free to contact me or Don Walker in my office at 202-225-5435.

With kindest regards, I am

Yours truly
